West End Te Kura Ō Mōrere

PARENT TEACHER STUDENT LEARNING CONVERSATIONS - 2017

Tuesday 30th May : 2.15 – 7.30pm

Wednesday 31st May : 2.15 – 5.00pm

****A reminder of the earlier 2.00pm close time for both days****

During Week 5 of this term, we have scheduled a formal opportunity for you to meet with your child's classroom teacher to discuss the progress and development that your child is making at this stage in the school year.

It is widely recognised that student learning is best supported when there is a collective and collaborative partnership between home/whanau and school. With this is mind, we have a firm expectation of ALL parents and caregivers attending these all important sharing sessions. Those of our students in Senior Team classes (Year 3-6) are strongly encouraged to be present as well and take an active part in discussions central to them and their learning. Should the above dates and times not suit, you are asked to contact the school office to arrange an alternative meeting time.

Discussions will centre on 'the child as a learner' with specific information shared on their –

- Social Development – strengths and developmental needs
- Academic Progress – attitude, work habits and achievement level in relation to progress towards meeting Reading, Writing and Maths National Standards
- "Next Steps" – ways in which you as parents can assist in nurturing further growth and development in your child's learning. You will be supplied with a written summary report as a record of your child's learning.

In addition your child's 'Sample Book' will also be shared and discussed.

Please complete this form if you would like a booking and return NO LATER THAN TUESDAY 23RD MAY.

We will correlate your response and send home confirmed conference times on FRIDAY 26TH MAY.
Contact Christine in the school office 7589 331 if you have any queries (office@westendnp.school.nz)
